T

## The most advanced multigame table ever.

Fun4Four is the world's one and only multiplayer game table built to resist the challenging needs of the out-of-home entertainment market. Full of innovations and ground-breaking games. This device brings a whole new gaming level to your bar, entertainment center, club, pub or arcade.

FUN

## A breakthrough design pushed even further.

Up to six people can play on the unique 42" touch unit. Currently more than 60 games in different categories, tournaments and the brand new mobile feature boost the fun factor in every site.

Easy to use, beautiful to look at and engineered to take full advantage of hardware and software - Fun4Four comes with an amazing collection of games for perfect entertainment. Connect your Smartphone with the Fun4Four and enter the new art of gaming.

## Unique features:

### Use your space multiple times

Realize incredible savings by re-using your space multiple times. Not only one, but up to 6 people can play together on one Fun4Four table. You do not need to purchase expensive single or two player machines anymore.

### Incredibly convenient

Convenience is most important for every guest. The Fun4Four is adjustable in height. Players can play both standing or sitting, e.g. in a lounge-chair or in a bar-stood.

### Games tailored to your audience

The games on the Fun4Four are not simple standard ones. They are specifically tailored to the demands of your guests. Currently, there are more than 60 hand-made games available.

42"

### Feels like a huge map

The game table is equipped with a giant 42" multi touch screen. The simple feeling of handling the table itself - it's just incredible! You have to try yourself.

### Control games from mobile phone

Your players will go bananas once they experience controlling a Fun4Four game by using their mobile device! The incredible feeling of steering cars by gravity sensor is just one example of what's possible.

OTM

### Online Terminal Management

By registering to the Online Terminal Management you will receive new games as soon as they are released, you can remotely control the device without going there in person, and you can check device performance easily, online and at any time.

new

### Increased Player Loyalty

In future, regular international tournaments will be organized for Fun4Four. Thus, the community of players additionally increase in your locations. Make sure that all your devices are operated online with OTM. Guests can win great prizes and keep coming back over to a game.

## Tournaments now join Fun4Four.

In 2018 we will be bringing the game even forward with the release of the international tournament feature for Fun4Four. It pushes new boundaries and give players a maximum on thrill and competition. Tournaments are the key to customer loyalty and increase profits for operators.

Players have easy access to the new feature through the main menu of Fun4Four. They only need to enter the tournament dashboard and to choose their games. In addition it provides to make players heard and show the world their skills on Fun4Four. Players win great prizes or extra achievements and keep coming back to play a game and enjoy a drink or two. The more tournaments are promoted in your venue the more you will profit from. Challenge your friends and the rest of the world, fight your way up to the top of the leaderboards with fast matches and tournaments! Tournaments are for OTM operated terminals only.

# Join the next adventure

Match3

Match two or more cubes of the same color to clear them. Removing large numbers of cubes at once, rewards powerful boosters such as rockets, bombs and color orbs. All boosters can be combined to form even mightier ones. The goal is to achieve all the displayed objectives. Aims can be collecting, removing and even generating a certain amount of specific items.

Strategy

Score high by placing the given elements cleverly inside the 4 designated boxes. Put three equal symbols in a line. But watch out - their values differ. Special combinations award bonuses. Show off your strategy skills and beat your opponents' scores.

Action

Double Check is an observe and react cards game. - The players are comparing the symbols on their own cards with the symbol on the card in the middle of the table. - Discovering the same symbol means to react quickly.

with brand new games:

Board

 2-6

Dots and Boxes is a digital homage to the well known pencil-and-paper game. Starting with an empty grid of dots, players take turns in adding a single line between two unjoined adjacent dots. The player who completes the fourth side of a box earns one point and takes another turn. To spice up the game, we added special boxes such as Multipliers and Bombs.

Cards

 1-4

Carpet is a Solitaire Game, simple but addictive. This variant offers a grid to lay out your cards - the famous „carpet“. To win the game stack up your cards on the foundations by suite.

Cards

 1-6

The well known and famous cards game space tower is a bestseller on the FUN4FOUR for many many years and is now also available in a version for 6 players.
